

ARIF NUR ROHMAN

Frontend Engineer

Central Java, Indonesia | +62 813 2601 7533 | arifnur.rhmnn@gmail.com | www.arifnurrohman.com

SUMMARY

Frontend Engineer with over 3 years of experience specializing in responsive web design, performance optimization, and delivering user-centric web solutions. Proficient in modern frontend frameworks like React.js and Next.js, with expertise in collaborating across teams to ensure seamless integration and project delivery. Passionate about problem-solving, debugging, and creating scalable web applications. Open to opportunities that challenge technical expertise and foster innovation.

PROFESSIONAL EXPERIENCE

Frontend Engineer, Arkademi 2022 - Present

- Led the migration of the company's website from WordPress to React.js, utilizing React.js, JavaScript, Redux, Bootstrap, and SCSS.
- Collaborated with backend and product teams for API integration and project planning.
- Designed and developed responsive, SEO-friendly web interfaces while optimizing performance.
- Transitioned several company websites to Next.js, leveraging TypeScript for enhanced performance and scalability.
- Played a key role in developing a custom website for Kartu Prakerja, tailored to the partner's requirements.
- Built an internal company website to improve operational efficiency.
- Managed project tasks and guided team members, effectively functioning as a lead within the frontend team.

Freelance Frontend Engineer, Self-Employed 2023 - Present

- Delivered high-quality web projects for local and international clients, focusing on responsiveness and scalability.
- Specialized in React.js and Next.js to build performant, user-friendly websites.
- Collaborated with clients to translate business requirements into technical solutions.
